* Minimum purchase: \$500

Your company website is a powerful tool for direct customer marketing. **SciClick** drives highly qualified scientific traffic from Elsevier's online journals on *Scimedirect.com* to your website.

How does it work?

1. Supply us with the URL to which you would like to drive traffic.
2. We index your site and match this with online journal articles on *ScienceDirect.com*.
3. Whenever there is any editorial content that is relevant to your business, we deliver your *call to action* text link adjacent to it.
4. **Pay per click.** Control your budget by setting a monthly cap. Starting from \$9 per click.
